

AMC strives to provide high quality care for our patients, visitors, employees, and community. In response to the increase in the COVID-19 cases in our community, we have updated our restricted visitor policy effective August 13, 2021.

Our visitation policy, while following CDC guidelines related to COVID are:

- **NON-COVID Patients:**
 - **ED-** No visitors.
 - **Inpatients-** 1 unique asymptomatic visitor.
 - **Labor & Delivery-** 1 unique spouse/significant other.
 - **Observation Obstetrics-** No visitors.
 - **Pediatric Patients-** 2 asymptomatic parent/guardians per patient (can trade out).
 - **ICU-** 1 unique asymptomatic visitor during ICU visitation hours.
 - **Surgery -**1 unique asymptomatic visitor.
 - **Patients with cognitive, physical or mobility impairments-** 1 unique asymptomatic visitor.
 - **Physician's Offices-** Please contact your physician/provider for specific instructions on visitors.
- **COVID-19 + Patients- No Visitors,** except end of life circumstances, must be approved.
 - **Exceptions:** Pediatric Patients- 2 asymptomatic parent/guardians. Patients with cognitive, physical or mobility impairments- 1 unique asymptomatic visitor.

** Unique visitor means the visitor cannot be changed/ rotated/ substituted for duration of patient's stay & MUST BE ASYMPTOMATIC**

** Visitation hours are between the hours of 6am-9pm. If for any reason visitor leaves facility after 9pm, visitor must sign in, and be escorted to patient room by security.*

**ICU Visitation hours are 10:00am-10:30am, 1:00pm-1:30pm, 5:00pm-5:30pm, 8:00pm-8:30pm*

**Children under the age of 12 are NOT allowed for visitation*

Clergy IS ALLOWED per patient/family request

** Visitors must be asymptomatic and wear a mask at all times. There will be subjective symptom screening daily in room, or at screening station upon re-entry. To conserve supplies, **visitors are to bring a mask from home.***

**Visitors may or may not be able to wait in waiting areas due to social distancing limitations and should leave phone # to be contacted if waiting in car.*

We apologize for any inconvenience this may cause our patients/ visitors/ employees, but your safety is our # 1 priority! Thank you for your support and understanding during this time.

REMEMEBER: *Continue to practice good hygiene. Stay Safe, wear mask (including those that are vaccinated), avoid touching your face, wash your hands often, practice social distancing, and stay home when you feel sick.*

REMINDER: Masks are to be worn upon entering the facility and at all times while in facility regardless of vaccination status.
